Biography for Dr. Kathleen Andreson

Kathleen Andreson is a founding partner and current owner of the Synergy Group, Ltd., an Albuquerque, N.M., consulting company established in 1995. As a consulting researcher, Andreson has worked with several educational organizations on a variety of educational and organizational subjects at the local, regional, and national level. Past clients include the New Mexico School Leadership Institute, the New Mexico Coalition of School Administrators, and bureaus at the New Mexico Public Education Department. Additionally, Andreson is an adjunct professor for Webster University-Albuquerque. Previously, Andreson served as a high school teacher, inservice teacher, and staff development coordinator in New Mexico's largest school district. She has coauthored a number of publications and reports and has received many honors for her work.

Andreson was initiated into PDK in 1980 and has served in a variety of leadership roles, as a local and state chapter officer, district director, area coordinator, regional representative, and PDK International board member. She is a graduate of the University of New Mexico.

About PDK International

PDK International, founded in 1906, is the premier professional association for educators. Currently, PDK has more than 30,000 members, including university faculty and administrators, school superintendents, principals, and teachers. The association maintains an extensive network of more than 250 chapters in the United States, Canada, and the nations in Europe and Asia.
