Biography for Dr. Jeanne Storm

Jeanne Storm is the associate executive director of Phi Delta Kappa International in Bloomington, Indiana. She oversees the work of the Future Educators Association[®] and the Curriculum Management Center. Her interests include recruiting creative young people into the teaching profession and providing them with opportunities for exploring teaching and learning in new and innovative ways.

Within the Lee County, Florida, public schools, she has served as an educator and curriculum specialist. In addition, she has been a guest lecturer, adjunct professor, curriculum writer, and educational consultant. She holds an undergraduate degree in education, a master's degree in curriculum and instruction, and a doctoral degree in organizational leadership.

About Phi Delta Kappa International

PDK International, founded in 1906, is the premier professional association for educators. Currently, PDK has more than 35,000 members, including university faculty and administrators, school superintendents, principals, and teachers. The association maintains an extensive network of more than 250 chapters in the United States, Canada, and the nations in Europe and Asia.
