

March 2008

Phi Delta Kappa
Region E Chapter Leaders

Region E is proud to have been able to recognize chapter “success” over the past several years and for many more years before that in conjunction with District V.

The recognition program applications and the “success” rubric/worksheet are due to the Chapter Member Liaison in the respective area by June 30 at the end of each year.

Chapter awards are selected and compiled by the CMLs at our annual August planning meeting.

The Region E Success program and the forms are included this year on the PDK web site in the Chapter Relations Section under the “Download forms” category with the title Regional Forms. We are also sending the application forms out earlier this year to encourage a greater chapter involvement in the program.

Chapter leaders are reminded that the application for Research / Service / Leadership award recognition earn the chapter ten points in the “Success” Rubric. The awards chosen in these categories receive a \$50.00 stipend along with the recognition award.

Please contact your area CML for assistance with any of these forms.

It is our hope that this chapter recognition will encourage more active involvement in service to the membership and enhance chapter involvement.

We appreciate your continuing efforts toward chapter success.
